November 2018 Newsletter

Meeting Date: Sunday, November 11, 2018
Time: 2:00 pm Business Meeting
Place: Thomaston Savings Bank, 985 Watertown Avenue,
Waterbury

President's Message:

This has been a challenging Fall season as the weather has given us so much rain and cold temperatures. Many of us have struggled to get our roots dug and stored as it seems that we could not have a decent stretch of weather to accomplish this task.

A Dues Renewal form is attached to this Newsletter so please plan on **sending it in by December 12th**. Membership in the ADS is for a calendar year so that is important that we get those dues in promptly so that you will receive all of your publications on time.

December 9th is the date for our Holiday Party, it will again be at San Marino's in Waterbury. CDS subsidizes the greater part of your dinner's cost so that makes it a better choice as well to come and have a good time. Information on reservations will follow in the December newsletter.
