### **President's Message:**

Hi Members,

Frost came to Prospect for the first time on 11/2 and I still have roots to dig as there has been so much rain recently that it has slowed me down. I hope that you are either finished with yours or presently working on them.

I would like to call your attention to the meeting dates for 2020 listed in this Newsletter. We do not have a meeting in January and there is a change for the rest of 2020. **Meeting time will change to 10:00 am.** The membership voted to change this so as to give members free time for their Sunday afternoons.

### **CDS-ADS Dues Renewals:**

Our 2020 CDS Dues Renewal form is attached. It will also be posted on our website. Please make sure your CDS Membership is current if you want to take part in the Pre-Sale for members.

**Possible Sources for Dahlias:**  
[dahliaaddict.com](http://dahliaaddict.com)

This is the site that you can use to look up the name of any variety. It lists who sells the dahlias and allows you to compare prices among all sellers. This site lists commercial growers as they begin to open for 2020 in December. Some are open now, and information is kept current as the season progresses.
