**President's Message:**

Greetings Members!

I hope all is well with you all and that spring and a new gardening season are in your thoughts. First off, I wanted to let everyone know that there is **No Root Sale** this year. Between no available root supplier and Covid-19 restrictions still in place, it simply was not feasible to have one. Hopefully with the state easing restrictions and vaccinations readily available we will be able to get back to a more normal schedule. Let's hope so! Dahlia planting will soon be happening! Check that you have all your supplies, don't start planting too early, mid-May is early enough. Our show date this year is August 28, 2021 so plan your plantings for plenty of blooms for our show.

Please stay tuned for more details as they become available.

Sincerely,  
Kevin
